Website & Mobile App Development Team

CC&FC invites proposals from experienced Website & Mobile App Development Teams for the design, development, and deployment of a member-facing digital platform (Website + Mobile App).

Scope of Work

- Design and develop a member login-based mobile app (iOS & Android)
- Develop a responsive website aligned with the app framework
- Member & spouse independent access with secure authentication
- Billing & payment integration
- Notices, circulars, announcements & events module
- Creation of online members' directory
- Interactive dining menus with daily update capability
- Sports facility booking (Phase 1: Tennis)
- Photo gallery, club information & contact details
- QR code-based features (menu access, member identification, future-ready)
- Admin panel / CMS for dynamic content updates
- Information about reciprocal clubs
- Website timeline section highlighting the history and legacy of the club
- Technical support during rollout phase including personnel available in the club promises for approximately 2 hours X 6 days for 3 months

Expectations

- Proven experience in member-based platforms / club or society applications
- Strong UI/UX design capability
- Ability to work on an urgent timeline
- End-to-end ownership from design to deployment
